L4: ELABORATE NATIVE LIDS, WITH HOLLOW KNOB AND FLANGED RIM

Notes
This is the lid form made to match the elaborate lid-seated bowls, D3-4, and should be of similar date: it does not become a Roman form.
Cf. Flouest & Stead 1979, fig.20 no.15; fig.25 no.2: Ville-sur-Retourne.
L4: elaborate native lids, with hollow knob and flanged rim.
