## NOTICES

The Council of the Kent Archæological Society invite the attention of members to the following matters :—

- (1) The Council are not answerable for opinions put forward in this work. Each contributor is alone responsible for the contents of his paper.
- (2) Papers submitted for publication in the next volume should reach the Editor, *complete in all respects and ready for the printer, by 1st September at latest.* All papers should be typed in double spacing, on one side of the paper only. Line drawings should be in Indian ink on good quality board or paper. It is especially requested that photographs may be of the highest possible standard and that glazed prints be supplied.
- (3) Changes of address and errors in the list of members should be notified at once to the General Secretary.<sup>1</sup>
- (4) An expansion of the membership would enable the Society to publish a larger volume and to undertake extended archæological work generally. Members, therefore, are urged to induce their friends interested in archæology to join the Society. Information as regards the Society's activities, copies of the Rules and forms of application for membership may be obtained from the General Secretary.<sup>1</sup>
- (5) The annual subscription covers all the privileges of membership, but additional contributions in the form of annual or occasional donations to the Illustrations Fund, towards excavation work, or for the general purposes of the Society, and new subscribers to the Records Branch, are invited and are always very welcome.
- (6) Expenses would be saved if more members paid their subscriptions by Banker's Order. Forms of such Order may be obtained from the General Secretary.<sup>1</sup> Subscriptions not paid by Banker's Order should be sent, on 1st January in each year, to the collector, Mr. C. W. Hopper, 14 Nunnery Road, Canterbury.
- (7) The Society's room at Maidstone Museum is open daily to members who wish to consult books in the Reference Library, and the Librarian and the Curator are always glad to help callers to obtain any information which they may require.
